

**A State-of-the-Art
Meeting and Training Venue.**

Why the San Antonio Meeting Center?

The San Antonio Meeting Center offers uniquely flexible space for computer training, staff retreats, and other strategic planning. Ideal for groups who prefer on-demand technology and unmatched hospitality, the San Antonio Meeting Center guarantees a positive impact on your events, meetings, and training sessions.

BOARDROOM

Overlooking the downtown skyline, this is the perfect location for groups of 24 or fewer to conduct business. Engage audiences with videoconferencing, built-in screen and LCD projector, and high-speed Internet.

METROPOLITAN ROOM

This multi-purpose room features a private entrance and has the capacity to comfortably seat 100 for a training seminar or 150 for a special event. Two built-in screens provide ultimate flexibility when it comes to entertaining or educating.

Training

The facility is equipped with high-speed Internet and audiovisual technologies to guarantee your event's success. Two cutting-edge computer labs and a mobile classroom offer top-notch training and on-site IT specialists are always available to help.

CLASSROOMS

Two innovative training classrooms offer fully-equipped modular workstations, CPUs and flat screen monitors, high-speed Internet access, and complete audiovisual equipment. The ergonomically-correct desks and chairs provide a comfortable classroom setting for all.

MOBILE CLASSROOM

Our mobile classroom, equipped with Wi-Fi, can be dispatched throughout the meeting center and tailored to your group's specific needs.

Social

From the Millennium Room to the Atrium Gallery, the San Antonio Meeting Center has rooms of various sizes and design guaranteed to accommodate any function. This versatile venue makes it possible for you to celebrate a company milestone, honor employees with a ceremony, or throw an elegant mixer.

ATRIUM GALLERY

This exquisite reception area is where local artists frequently host their art shows. It has ample space to showcase tabletop exhibits and other displays.

MILLENNIUM ROOM

At 1,200-square-feet, this room features floor-to-ceiling windows and the ability to seat 40 for a training class or 150 for a special event. Depending on your needs, this room can also be equipped with an LCD projector and screen, DVD player, and sound system.

“*The San Antonio Meeting Center is an amazing facility conveniently located in downtown San Antonio. The interior of the facility is a beautiful environment with friendly staff and top notch training equipment!*”

—Candace Cole
Vice President of Operations
Beckwith Electronic
