

San Antonio Meeting Center

The state-of-the-art training facility features:

- cutting-edge technology, including videoconferencing
- computer training classrooms for groups from 5 - 30 students
- special event space for over 300 attendees

Located in downtown San Antonio and a few blocks from the historic River Walk, hotels, and dining, the **San Antonio Meeting Center** is a **unique venue** with **unlimited flexibility**.

Transform your training. Maximize your meetings. Elevate your events.

Meeting and Event Space

Boardroom Overlooking the downtown skyline, the Boardroom is the perfect location for groups of 24 or less to conduct business. Featuring videoconferencing, a built in screen and LCD projector, and high speed Internet, your group will be engaged and focused in this professional setting. With ergonomically correct chairs and access to a private break room, everyone will feel like a VIP.

Classrooms The San Antonio Meeting Center features two fully-equipped training classrooms with modular workstations equipped with CPU's and flat-screen monitors, high-speed Internet access, and complete audiovisual equipment. The ergonomically correct desks and chairs provide a comfortable classroom setting for all training.

Metropolitan Room This fresh new room is completely multi-purpose. With a private entrance and capacity to comfortably seat 100 for a training seminar or 150 for a special event, the Metropolitan Room can be whatever you need it to be. Two built-in screens provide ultimate flexibility.

Millennium Room The 1200 sq. ft. Millennium Room features floor-to-ceiling windows and the flexibility to host a training classroom for 40 or a special event for 150. Depending on your needs, the San Antonio Meeting Center can provide a LCD projector and screen, DVD player, and sound system.

Atrium Gallery The perfect location for a reception, the Atrium Gallery is where local artists host their art shows. It has ample space to display table top exhibits and other displays.

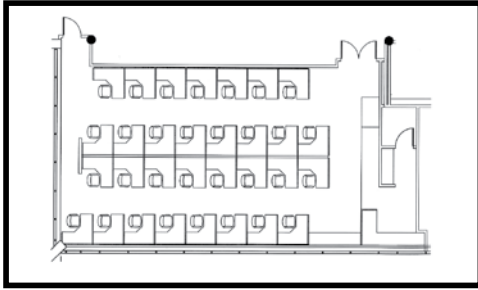

When you host your event at the San Antonio Meeting Center your rental includes:

- **Audiovisual Support** – all basic audiovisual equipment on site and built in to most of the meeting rooms
- **Trained and Certified Event Planners** – the staff are professional meeting and event planners with a combined 25 years in the meetings industry
- **Advanced technology** – all meeting rooms are equipped with cutting-edge technology for your every business need
- **Catering** – partnership with a premier caterer; we can offer your group everything from the basic continental breakfast to the elaborate formal dinner
- **Unlimited Beverages** – permanent break areas with hot and cold beverages
- **Professional Receptionist** – attendees greeted by our professional receptionist and high-tech digital signage welcoming the group
- **Complimentary Parking** – over 100 parking spaces within a ½ a block of our front doors
